MULTIMEDIA

- Video Editing
- Visual Design
- Photo Editing
- Motion Graphics
- Portrait Drawing

TOOLS

- Figma
- Adobe XD
- Adobe Photoshop
- Adobe Premiere Pro
- Adobe After Effects
- Canva

PROJECTS & CREATIVE WORK

Interactive 3D Music Platform (UI/UX) | Figma, Adobe XD

A concept web application for a modern music streaming experience.

- Designed an end-to-end user journey including user flows, wireframes, and high-fidelity prototypes following responsive design principles
- Built a complete design system with typography, color theory, and reusable UI components to ensure visual consistency

Commerce Mobile App – UI/UX Redesign | Figma, Adobe XD

Redesign of a mobile shopping application focused on checkout optimization.

- Redesigned the checkout flow from 5 steps to 3 steps, reducing user drop-off and significantly improving task completion rate
- Created 30+ wireframes, interactive prototypes, and a full design system aligned with accessibility (WCAG) guidelines

Personal Brand Identity & Portfolio | Figma, After Effects, Canva

Development of a complete personal brand identity system.

- Designed brand identity including logo, color palette, and typography system maintained across all touchpoints
- Created animated UI components and motion graphics using Adobe After Effects to demonstrate interaction design skills

EXPERIENCE

Freelance UI/UX Designer Self-Employed | 2024 – 2026

- Delivered end-to-end design solutions for 5+ clients across e-commerce, education, and service domains — covering discovery workshops, user research, wireframing, and developer-ready prototypes
- Conducted usability testing and user interviews to gather insights, translating findings into improved design decisions across multiple projects
- Created and delivered multimedia assets including motion graphics, photo retouching, and visual content for client marketing campaigns

EDUCATION

Bachelor of Engineering (ECE) | 2022 - 2026 | CGPA: 7.1
Ideal Institute of Technology, Kakinada

ACHIEVEMENTS

Creative Arts: Recognized for fine arts skills in portrait drawing and painting reflecting strong attention to detail and aesthetic sensibility applied in visual design work.

CERTIFICATES

- Google UX Design Certificate - Coursera | 2026
- UI/UX Design Specialist – Udemy | 2025
